Subject: Braid Bowling Club: Coronavirus Message

To all Members of Braid Bowling Club

On behalf of the Chairman's Committee I am circulating this notice to all our members.

Braid Bowling Club
Coronavirus Message to Members

The Chairman's Committee (both Presidents, the Secretary and the Treasurer) together with the 3 Vice-Presidents have unanimously come to the conclusion that the

Bowling Club will remain closed until further notice.

We would all have liked to have been able to play informally, but the safety of our members is paramount, and we must therefore remain closed until restrictions are eased by the Government.

Can I reiterate that it is important that we all pay our subscriptions as normal in order to ensure the survival of the club?

I'm sure we all agree that as soon as the Government Policy eases we would like to be able to open the club but in order to do this we need to be able to pay our continuing expenses such as green and pavilion maintenance.

I would encourage members to keep an eye out for each other by keeping in touch by phone, text or e mail. Also, our thoughts need to be with some of our members who are currently stranded in foreign countries unable to get flights home.

On behalf of the committees I wish you all well in these extremely difficult times.

Joan Ball

Ladies President

Peter Graham

Secretary
Braid Bowling Club
